

Invitation to Sponsors, Exhibitors and Delegates at CITY-RAIL 2008

We cordially invite interested companies to contribute to City-Rail 2008 as speakers, sponsors, exhibitors, or delegates.

The conference will take place on September, 2008 in Hongqiao Marriott, Shanghai, China.

City-Rail2008 will act as an opportunity to network with some of the global highest-level officials and business leaders from MOC, NDRC, International Rail Operators, Rolling Stock Companies, Engineering & Technology Consultants, Facilities & Equipments Vendors, IT Solutions Providers, Investment Banks and Law firms.

Please contact City-Rail 2008 Project Manager Frank Chen via email frank.chen@globaleaders.com or phone +86 21 52360030*804 for any questions regarding the conference.

Marketing

City-Rail 2008 will be marketed via direct mailings, newsletters and advertisement in international media.

Delegates

The conference is targeted at rail industry decision makers. The conference fee is USD 1895 per person. This includes full conference documentation, four coffee breaks, two luncheons and one cocktail. Early Bird will enjoy special discount! Please check the attached registration form.

Speakers

Conference sessions will last approximately 30 minutes each in the respective tracks. Keynote speech, case study, panel discussion and networking are what make City-Rail 2008 worth attending and contributing to.

Sponsors

Sponsorship Package will provide you with:

- An unparalleled platform to network and do business with industry colleagues
- The ability to capture new prospects whilst enhancing your corporate profile to existing clients
- The opportunity to increase your brand recognition in the region with decision-making audiences

We bring the clients to you! For further discussion, please contact City-Rail2008 Project Manager Frank Chen via email to frank.chen@globaleaders.com or phone +86-21-52360030*804

Your suggestions will be highly appreciated by us.

The Annual City-Rail Summit 2007 was the most exciting and biggest event in rail sector in China in 2007. Over 200 Rail industry executives representing over 100 companies and 20 different countries attended the meeting in Shanghai. We pressed issues in City-Rail Summit 2007 including:

- Innovations for international urban and intercity rail development
- Policy analysis on China's urban and intercity rail market
- Strengthening international cooperation
- Briefing of China rail transit projects in Yangtze Delta cities

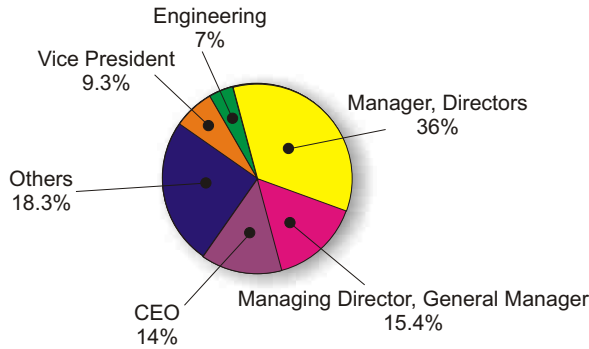

GREAT BENEFITS

- ◆ Gain access to over 25 leading rail industry speakers & panelists
- ◆ Make contact with over 200 rail industry executives
- ◆ Obtain the latest information in rail sector
